

JEWELRY MAKING !

LEARN HOW TO MAKE ALL SORTS OF JEWELRY WITH BEADS, WIRE, METAL, AND ALL SORTS OF TOOLS!

WHAT YOU NEED TO GET STARTED:

- ★ Wire or String (for necklaces, bracelets, or rings)
- ★ Beads or charms to make your own creations!
- ★ Pliers to bend wire and pick up small items
 - Chain Nose Pliers: For bending, crimping, and picking up small details
 - Small Rounded Pliers: For bending and shaping wire

GETTING STARTED...

1. Choose any idea from necklaces and rings to earrings or bracelets to design!
2. Gather any of the jewelry bins that contain accessories you would like to use.
3. Begin stringing and bending your wire to add beads!
4. **WHEN USING PLIERS:** Make sure to be cautious and careful around your hands and others with the pliers!!

WHAT TO MAKE? MAKE SOMETHING FOR YOURSELF OR A GIFT!

- ★ Necklaces
